2017 National Robbery Conference

The National Robbery Conference is hosted by the Colorado Association of Robbery Investigators (CARI), a 501(c)(3) organization of federal, state and local robbery investigators as well as retail and bank security managers.

The conference will be held May 31st to June 2nd, 2017, at the Vail Marriott Mountain Resort and Spa in Vail, Colorado.

The National Robbery Conference attracts investigators from throughout the United States, Canada and Australia. Bank security managers are heavily represented. This is an ideal advertising venue for security vendors and police supply retailers of all types. Conference topics include case presentations, investigative techniques and technology advancements. In 2017 we will take a hard look at the special problem of armed robbery of marijuana retailers and medical dispensaries.
